Having been on the Richmond bar scene for only two months, Maeve Fox is already making waves and getting everyone talking. The atmosphere is stylish yet relaxed and unpretentious – the tree detailing on the walls, stacks of logs built into the structure of the building, an elaborate 'tree branch' chandelier and antler heads leave you feeling like you are drinking in a sophisticated log cabin.

Drink: Maeve Fox have a happy hour weekly from 4pm – 8pm, Sunday – Friday. \$10 Cocktails, \$10 jugs of all tap beer, \$4 wines and \$4 bubbles. Plus on 'Fox Hole' Fridays enjoy weekly bar snack specials and live acoustic tunes.

Best Selling Cocktail: U Tart - lightly textured homemade lemon curd, with a hint of lime and enough vodka to sink a ship...

In Summary: Old and unrefined meet new and finished, forming an eclectic and elegant experience.
